Caring for People's Sight.

Who is SightCare?

SightCare, Inc. provides vision services and products through insured contracts to large and small employers in Arizona. SightCare delivers service through optometrist, ophthalmologists, and their staffs located in Nationwide Vision offices (*Nationwide Vision Network*) and offices of contracted private doctors (*Private Doctor Network*). Our SightCare Vision Plan is an integral part of Maricopa County's Health Care coverage.

Who is Covered?

All Maricopa County employees who enroll in HEALTHSELECT are automatically enrolled with SighCare. Only those family members covered under the health care coverage chosen by the employee will be covered for SightCare benefits.

Enhanced Benefit

All covered employees of HealthSelect automatically receive SightCare's Enhanced Plan benefit level. The **Enhanced Plan** benefit provides eye examinations, lenses, frame, or contact lenses **every single** year as part of your elected health care coverage.

Different Benefit Levels

The vision benefits described on the following page are higher when received from the Nationwide Vision Network providers compared to the Private Doctor Network providers. Please review the networks carefully to maximize your benefits.

Plan Benefits

Multiple Purchases & Options*		
Multiple Purchases		
Frames	50% Discount	None
Lenses	30% Discount	None
Options	30% Discount	None
* Within 6 months of exam		

Answers to some commonly asked questions.

Q. How do I access the plan in network?

A. There are no forms you need to carry and no authorization codes you need to obtain. You simply make an appointment with a provider in either SightCare network, let the office know you are a member of SightCare, Inc. When you arrive for your appointment, present valid identification or a SightCare membership card. The office will verify your eligibility at that time. It's that simple!

Q. When am I eligible for benefits?

A. You will be eligible for your benefits on your health plan's effective date.

Q. What if I want to upgrade the frame I purchase?

A. You would simply pay the difference between the cost of the frame you purchase and the frame allowance the plan covers after the plan's discount.

Q. Can I get both eyeglasses and contact lenses?

A. No, the plan allows you to choose between an eyeglass benefit or a contact lens benefit. However, you may purchase additional products at the plan's discounted price. You must exhaust your total contact lens benefit allowance at the time of service. You can not carry forward your unused allowance for a future purchase.

Q. Where do I go to receive my examination and eyeglasses?

A. SightCare has an Exclusive Provider Network of Nationwide Vision locations and a Preferred Provider Network of Private Doctor offices. Benefits are dependent upon which provider network is chosen. If a provider outside these two networks is used, no benefits will be payable under this plan.

Q. What advantages are there to go to Nationwide Vision?

Members have immediate access to obtain examinations. The number of covered frames is approximately 80% (700+) of the entire store's inventory that is covered at 100% after the \$10 CoPay. Members also receive the ability to purchase the most popular lens options at substantial savings through minimal CoPays. Members electing material upgrades are entitled to an additional 20% discount. Contact lens wearers are able to utilize their whole benefit allowance towards the actual purchase of contacts. When utilizing Nationwide Vision for the contact lens benefit, the member only has a \$10 CoPay for the fitting fee. Through the Private Doctor Network, the \$100 allowance is reduced by the doctor's fitting fee that can range from \$35 to \$75+, leaving a limited benefit towards the actual purchase of contacts.

Q. What are non-covered benefits?

A. There is no benefit for professional services or materials connected with:

1. Orthoptics or vision training, subnormal vision aids, aniseikonic lenses, or plano (nonprescription) lenses.
2. Lenses and frames furnished under this plan which are lost or broken will not be replaced except at the normal intervals when services are otherwise available.
3. Medical or surgical treatment of the eyes.
4. Services or materials provided as a result of any Worker's Compensation law or similar legislation, or obtained through or required by government agency or program whether federal, state, or any subdivision, thereof.
5. Any eye examination required by an employer as a condition of employment, unless it is obtained at the normal interval for such services.

Q. How do I get my own prescription filled?

A. For contact lens prescriptions,* your doctor is required to release the final prescription only after proper fit, vision, and health of the eye can be verified and insured through a follow-up exam. All eyeglass prescriptions can be brought to any Nationwide Vision location and be processed using Nationwide Vision Network benefits. (The eye exam performed out-of-network is not reimbursed by SightCare.)

Special LASIK Discount

SightCare has contracted with Nationwide Vision to provide discounts to their members for LASIK procedures. Nationwide Vision's LASIK re-tail cost is \$995 per eye (\$1,990 both eyes) for cash, check, or credit card for most procedures. HEALTHSELECT's discount LASIK price is \$1,890 for both eyes for cash, check, or credit card for all procedures regardless of prescription or astigmatism. There is an additional fee of \$100 if the procedure is financed.

What does the LASIK Fee Include?

The LASIK Fee includes the pre and postoperative care of the patient. In addition, should an enhancement be required during the first year, patients would receive it at no additional charge.

Free Consultation

Nationwide Vision offers a free no obligation consultation for members interested in learning more about the LASIK procedure. The consultation provides a detailed explanation of the entire process and allows members to ask questions in a one-on-one environment. **For a free consultation, call Nationwide Vision Laser and Eye Center (480) 874-1057.**

Convenience and Accessibility

Consultations are available at three convenient locations in the valley: Glendale, Mesa/Gilbert, and Scottsdale. Procedures are performed at the Arizona Eye Laser Center in Scottsdale and Glendale, as well as the Scottsdale Surgical Center.

To learn more about the services Nationwide Vision offers,
visit their Web Site at
www.nationwidevision.com

Who do I call at SightCare for customer service assistance?

Please call SightCare's representatives at (480) 961-1702 between 8:00 a.m. to 5:00 p.m. Monday through Friday. A representative will be available promptly to assist you.
